Name of Requester _____

Requester's Phone # _____ E-mail _____

Date of Request _____ Flow Test Deadline _____

Project Name _____

Project Address or Location _____

Reason for Flow Test:

New Construction Adding Fire Protection to Existing Service Other

Specify other: _____

Hydrant flow tests are conducted by Erie Water Works staff and are \$200 per test. Make your check payable to "Erie Water Works" and deliver or mail to:

Erie Water Works
Engineering Services
240 West 12th Street
Erie PA 16501

Tests will be scheduled after receipt of payment and at optimal times when not disruptive to the water system or testing area.

Test results will be emailed to the requester unless otherwise requested.

For questions regarding hydrant flow tests please call 814-870-8000 Ext 241, 207, or 205, or email Tamura Squire at tsquire@eriewaterworks.org
